What is a Child Care Resource and Referral Agency?

The Child Care Resource & Referral (CCR&R) is an integral part of Family Enrichment Network. We are a community coordinating and planning agency for local child care services and offer a variety of supports for early childhood professionals, parents, and businesses.

For Parents:

Qualified counselors:

- ◆ Explain child care choices
- ◆ Help families find child care
- ◆ Offer suggestions about parenting issues
- ◆ Present seminars and workshops for parents on a variety of child development topics/life issues
- ◆ Facilitate interactive workshops for parents and children

For Child Care Providers:

Providers in the database receive:

- ◆ Referrals to their child care programs
- ◆ Assistance with the registration process
- ◆ Workshops and training opportunities to satisfy the NYSOCFS requirements
- ◆ Professional development opportunities
- ◆ Information regarding best practices in child care
- ◆ Access to CCR&R's Training Calendar and *Network News* newsletter

For Employers:

Employers are quickly learning that businesses can benefit when attention is paid to employees' child care/parenting needs. Employer assistance in child care is one of the fastest growing employee benefits. Among its many services to employer groups, a CCR&R agency:

- ◆ Maintains data which reflects the current supply and demand trends in child care and develops child care services specific to the needs of the employer's workforce
- ◆ Conducts seminars for employees on a variety of topics including balancing work and family, child care issues, and parenting concerns

Questions To Ask When Inquiring About A Summer Program

- ◆ What will you be expected to provide?
 - Snacks/meals ?
 - Bug repellent?
 - Sun screen?
 - Floaties and a towel?
- ◆ Is transportation provided?
- ◆ What are the times and additional costs of before and after camp care?
- ◆ Do field trips and special event opportunities require additional fees?
- ◆ Do they have emergency procedures in place? What are they?
- ◆ What is the “drop-in” policy for parents?
- ◆ How can parents get involved?

Additional Reminders:

- ◆ Where swimming is offered, make sure to:
 - ◆ Review your child’s skill level with the instructor.
 - ◆ Ask to see the instructor’s certification.
- ◆ Ask the camp to describe typical activities planned for your child’s age group.

Programs listed in this publication are those who responded to our survey, not all programs replied.
